Alliance Française de Penang

# Maiball 2015

*Saturday, 16 May, from 6:30pm onwards  
E & O Hotel, Grand Ballroom*

The MaiBall 2015 is waiting for you and there are a few reasons to join this yearly event and meet people of different backgrounds. The ambience and style of the Eastern & Oriental Hotel is promising. For sunset you may stroll along the seaside of the Eastern & Oriental Hotel while having your welcome drink. Later you enjoy a delicious eastern-western buffet dinner in a wonderful atmosphere before dancing until morning in the Grand Ballroom.

Fun! Party! Great Food! This year the famous live band band HIGH SOCIETY from Penang and our DJ will keep you moving. The event is organised in cooperation with the Alliance Francaise.

Ticket selling is starting in March.

# Federal-State-Inspection (BLI 2.0) at DSKL

Mrs. Förster from Thuringia and Mr. Göser as representative of the Central Agency for Schools Abroad, our quality assurance experts, were in Kuala Lumpur from 10 to 14 November 2014. They conducted the 2nd school inspection, the BLI 2.0, involving 29 class visits and six round table discussions with relevant school bodies, focusing particularly on the following areas:

- Participation of students and parents
- Opening of school
- Management of resources
- Preparation and management of final examinations

DSKL's achievements since 2009, the year of our first inspection, have duly been recognized by the inspectors: implementation of our assistants program, expansion of the successful scholarship and exchange student program and the truly outstanding development in the music department: at the end of the inspection, the inspection team were delighted to witness the rehearsal of the Tango "Por una Cabeza" by our very own Sinfonietta. In announcing the final inspection report to all members of the school community, Mr. Göser described the development of DSKL as being 'outstanding' and 'enormous' which made for a contented and cheerful atmosphere that is sure to linger for a long time. We have all passed the BLI 2.0 and are proud to be re-awarded the label "Excellent German School Abroad".
