DAAD
SCHOLARSHIP
OFFERS

All over the world German higher education institutions enjoy an excellent reputation. German degrees carry great prestige while teaching and research provide key impulses for innovation and progress.

university according to its rules and regulations.

Students and a professor in the lecture hall.

At a very competitive price, more than 400 higher education institutions offer thousands of degree programmes, making Germany's higher education landscape diverse and affordable.

For the academic year 2017/18 DAAD offers scholarships for Master's and PhD students.

Research Grants – Bi-nationally Supervised Doctoral Degrees (sandwich programme)

Scholarships for the so-called sandwich model, i.e. for a research stay between one and two years at a German university for PhD-research. In this case, the doctoral title is awarded by the Malaysian university according to its rules and regulations. The German professor who is supervising the research stay in Germany could e.g. act as a secondary supervisor.

the "Development Related Postgraduate Courses (EPOS)".

Master's candidates can apply for

Deadline for the grants is 15 October 2017. Applications should be submitted online to DAAD Portal.

The Master's scholarship supports selected programmes at German universities and Universities of Applied Sciences. The deadline varies, depending on the universities.

Applications should be submitted directly to the universities.

Please visit our website www.daadkl.org for more information on scholarship offers from DAAD.

Doctoral candidates can apply for the following DAAD PhD scholarships:

Research Grants – Doctoral Programmes in Germany

Scholarships for three years research of a PhD-candidate in Germany under the supervision of a German professor. The doctoral title in this case would be awarded by the German

Come meet us during the Post Graduate Education Fair on 16 and 17 September 2017 at Kuala Lumpur Convention Centre (KLCC).

SOUTHEAST ASIAN
GAMES IN JAKARTA

The SOAS team of the German School Kuala Lumpur achieved an excellent second place at the Southeast Asian Games in Jakarta, all the more reasons for joy and celebrations. The DSKL-team achieved outstanding results in all areas: gold in the volleyball tournament, 7 gold medals, 9 silver, 4 bronze in track and field, and thus overall winner in the team classification, 1 gold, 1 silver, 4 bronze in swimming, 1 silver (boys) and 1 bronze (girls) in the football tournament.

Congratulations to the athletes, who not only achieved great sporting results, but also showed immense consistency, team spirit and strength of character!

DSKL winning team.
