Further Information

DSKL (German School Kuala Lumpur) is recognized by the Ministry of Education of the Federal Republic of Germany which means that all report cards and final exams are recognized. It bears the seal "Excellent German School Abroad".

The language of instruction at the DSKL in almost all subjects is German. Exceptions are history, which is taught bilingually (German-English) from grade 8, and physics, which is taught in English from grade 9. Music will be taught in English during this upcoming semester.

We offer employment in a highly motivated team in a multicultural environment and in a modern school. The employment is offered for the second school semester of the current school year (February until June 2021). The contract is based on 15 lessons per week, additional hours on request. Please contact us for further details.

Information about the school and the curriculum can be found on our website www.dskl.edu.my.

Please send your application including curriculum vitae, letter of motivation and any relevant certificates to Mr. Konrad Menne, office@dskl.edu.my.
